In re: Case No. 2003-00293 ³⁷⁸
Western-Lewis Rectorville Water & Gas District

Dear Sir or Madam,

This letter is in response to a telephone call I received from J.R. Golf on January 8, 2004. In that telephone call, Mr. Golf requested additional information in regards to the above identified rate increase filed with the PSC in the fall of 2003. His specific request was for additional information regarding bulk water sales.

This letter serves as notice that the Western-Lewis Rectorville Water District desires to drop their request for a rate increase in regards to their bulk water sales as they plan to bring this request at a future date.

Please proceed with determination of the remainder of the rate increase filed last year and if you have any questions, please do not hesitate to call me at 606-564-9959.

Yours truly,

Andrew W. Wood
